 - Maria Vorel described the position as one between Precinct Captain and VC for Precinct Ops. It may better help our ground game.
 - Sarah Jernigan raised the idea that there is more to Precinct Ops than staffing the polls, and this may help us do better outreach with our precinct captains by reducing the number of precincts each coordinator is responsible for.
 - HQ Contributions – Vote on contributions for keeping the HQ open through November 2020. Final numbers will come after the election, but we currently are looking to contribute \$500 a month towards rent beginning in November. This will be in lieu of making direct contributions to the candidates. The benefit of this is that we can use the shed and the storage instead of renting our own storage unit.
 - There was a motion to contribute \$500 per month, motion was passed.
 - Karen Corbett Sanders requested that we make a donation to her Campaign
